JAZZ EVENING

Jazz and Supper Evening at the Masonic Hall Sudbury.

By Dil Andrews

Well what a night! Friday the 17th of July will be remembered, for not only being a successful evening as a fundraising event, but for the enjoyment everybody had. On arrival we were greeted with a complementary glass of bubbly and a warm welcome, to then sit down

and be served a very tasty supper of melon, Parma ham and salad, followed by beef bourguignon and seasonal vegetables, and a scrummy Eton Mess, what could be better! The quality of both the food and service was second to none. The students who worked on that evening were unobtrusive in their delivery of service and comments were made of how professional they were. The staff in the kitchen worked extremely hard to ensure a lovely meal with everything running like clockwork. Our after dinner speaker Terry Waite, delivered a very interesting speech, and the music provided by the band "The Accidentals" was very good. People were very generous in buying raffle tickets so a large sum of money was raised. Our evening was brought to an end by our chief executive Anesta Newson who thanked everyone for all their effort on behalf of The Bridge Project. A big thank you must also go to Peter Thorogood from the Masonic Hall for all his support throughout the evening and of course a big thank you to, Waitrose, Watsons and John Coleman for their kind contributions. A good night had by all, already looking forward to next year's event!
